WHO ARE WE?

Horizons Family Law Centre (**Horizons FLC**) has been operating in North Western Sydney since 2005, and in South Western Sydney since 2009.

Steve Frost is the Principal Solicitor of Horizons FLC. Steve is an experienced solicitor and is also trained as a conflict coach and mediator. He works with a team of lawyers, paralegals & other staff.

WHAT DO WE DO?

Horizons FLC can help identify whether you have a legal problem and discuss how to solve it.

In some circumstances, we can provide ongoing advice, help with specific tasks (like preparing court documents), pre-court/out-of-court advocacy and in court representation.

We direct our highest levels of help toward those with the greatest need, and focus our help on parenting disputes, child support, criminal charges & some administrative appeals.

If ongoing help is needed and we are unable to provide it, we will try to connect you with another lawyer or organisation who may be able to help.

WHO CAN WE HELP?

We serve people who:

- Don't qualify for Legal Aid and can't afford a private lawyer.
- Are significantly disadvantaged.
- Have a special need because of the type of legal problem they are facing.
- Have cases that are in the public interest.

WHAT DOES IT COST?

There is no cost for any initial discussion with us by telephone regardless of duration.

If you request ongoing help from Horizons FLC, some non-profit charges may apply. You will be given full details of these charges before we start doing any work. You will also need to pay any expenses involved in doing the work (for example court filing fees, photocopying charges, travel costs, etc).

Horizons FLC will consider applications to waive or reduce our standard costs if your financial situation requires it. Please let us know if this is a concern to you.

HOW DO WE HELP?

■ Help for individuals

Telephone advice for clients is available:

- 9am to midday Tuesdays; and
- 9am to midday Thursdays.

Call: (02) 9890 1203

Face to face conferences are available at our Sydney North and Sydney South advice clinics, by appointment only.

Legal advice is not available by email.

■ Help for community service workers

Telephone advice is available to community service workers at any time, subject to our availability to take the call, by calling our administration line on (02) 9890 1208

If a community service worker is assisting a client in circumstances of particular urgency we will accept 'warm referrals' outside normal advice times. Any warm referrals must be initiated by the community service worker involved.

■ Community Legal Seminars

Horizons FLC conducts community legal seminars from time to time. Please check our website for more information on upcoming seminars.
